The airport is focused on having the best image possible. Melilla Airport has implemented an **Integrated Quality and Environmental Management System**, certified according to **ISO 9001 and ISO 14001** standards.

Melilla Airport has received various acknowledgements from the National Police Corps for collaboration and support with several institutions.

Melilla Airport was **certified by the Spanish Aviation Agency (AESA), according to EU 139/2014 regulation.**

The airport got **‘The Voice of the customer’** recognition by **ACI World** in 2021.

Melilla Airport was named **Best Airport by Size and Region (under 2 million passenger in Europe)**, at the ASQ (Airport Service Quality) awards given by the Airports Council International (ACI) in 2018 and 2019.

As part of the environmental initiatives that Melilla Airport is implementing, it has used recycled products for the new facade of the building and an efficient LED lighting system in order to save energy.

Yearly **quality surveys** for airlines and passengers are carried out in order to monitor their perception of the airport services.
